Fall 2016-2017 Room/Apartment Capacity Changes for housing selection.

- If you are unable to fill a room/apartment to the adjusted capacity please choose another available space during your selection timeframe. Please have several options in mind in the event your preferred space is not available.
- A percentage of all rooms/apartments are reserved for new students and will not be available to returning students during housing selection.
- Single rooms are not available for online selection. If you are currently in a single room and wish another single room please attend the appropriate selection phase at your appointed time. Spaces are limited. If you are seeking an accommodation due to a documented disability, please contact the Office of Disability Services. Requests can take up to 30 days to process.
