Emotional Support Animal Request Information Form

Note: Emotional support animals that are not defined as service animals may be entitled to reside in PSU housing as an appropriate accommodation under the Fair Housing Act, as determined on a case by case basis.

Name of Student: ____________________________________________

Type/Breed of animal: ________________________________________

Name of animal: __________ Age: _______ Sex: _______ Coloring: _____________

To be completed by licensed practitioner:

Practitioner Name/Title: _______________________________________

Address: ___________________________________________________

License or Certification number: ________________________________

Specialty/qualification to make diagnosis: _______________________

Please answer all of the following questions:

Does or would the animal identified above provide some type of disability-related assistance to the individual? One example of assistance is alleviating one or more of the symptoms or effects of a disability. Please explain below:
Is the emotional support animal necessary to afford the student an equal opportunity to use/enjoy University housing?

_________ Yes  ___________ No

Signature of Provider _____________________________ Date _____________

The Provider’s signature indicates supporting this student’s clinical needs in obtaining an Emotional Support Animal. The clinician has **not** made any evaluation or assessment of the animal itself or the owner’s ability to care for or control the animal and assumes no liability for the animal's behavior.

**To be completed by the student:**

By signing and dating below, I attest that the above named Emotional Support Animal has no history of biting or aggressive behavior towards other animals or persons.

Signature of Student: _______________________________ Date: ____________________

This form is to be submitted with a **Psychiatric Disability Provider Information form** for any student requesting an emotional support animal as a housing accommodation at Plymouth State University. **It is the responsibility of the student to return completed forms to the address listed below.**

Please note that all decisions on which reasonable accommodations will be granted will be made by the Campus Accessibility Services Coordinator and the Residential Life Housing Coordinator.

Please return the completed form to
