Who Grew My Lunch?
Food Literacy Reading Questions

What did Katie and John Michael do with the cabbage seedling? – Planted the seedling in the ground

What did Katie do with the weeds? – She would pull them out. Explain that weeds can take the nutrients from a plant. Explain that farmers have the responsibility to make sure that weeds don’t invade their entire farm – weeds could ruin their harvest

Talking Point: Katie wanted to give her cabbage to families that are hungry. Farmers grow food to feed people everyday.

How did Katie and her brother arrange the seedlings? – According to which seedling needed the most sun.
