| Does not assess student learning regularly or have an assessment plan. Uses only one type of assessment strategy (e.g., tests). Assessment is arbitrary and not connected to instruction and/or learning. Does not make expectations clear for students and students are not sure about how they will be assessed. Provides little or no written or verbal feedback to students, or feedback is perfunctory or not given in a timely manner. Feedback does not encourage student persistence. | Prepares lessons and activities that include plans for assessing student learning. Uses a combination of informal and formal assessment strategies. Connects assessment to instruction and/or learning goals. Gives students a general awareness of how they will be assessed, but may need to provide additional explanation or clarification of expectations. Provides frequent and timely written and verbal feedback for students. Feedback is generally meaningful and encourages student learning. | Routinely integrates assessment of student learning into lessons and throughout daily activities. Comfortably uses a variety of informal and formal assessment strategies, with an emphasis on authentic assessment. Designs and uses assessments to enhance his/her knowledge of students and inform instruction. Provides students with clear expectations and criteria for assessment. ### Comments and suggestions for Intern regarding PEDAGOGY:
SECTION II: CLASSROOM ATMOSPHERE

1. Creates a classroom community that fosters students’ intellectual, social, and personal development. (ED 610.02 a1; INTASC 3; HOLISM; AAHE I A)

Does not meet Target:
Does not demonstrate warmth or sensitivity toward students. Does not make students feel safe or respected. Allows inappropriate comments or actions. Is not responsive to student interests, questions, or concerns. Does not see the connection between positive relationships and teaching and learning. Does not attempt to build positive relationships with and among students.

Approaching Target:
Demonstrates genuine warmth and caring for students. Creates a learning environment that promotes respect for individual differences of ethnicity, race, language, culture, gender, and ability. Is aware of but responds inconsistently to student interests, questions, or concerns. Recognizes that positive interactions with and among students are essential for good teaching and learning and attempts to build positive relationships with and among students.

Target:
Demonstrates genuine warmth and caring for students and treats them as individuals worthy of respect. Creates a learning environment that promotes respect for, and support of, individual differences of ethnicity, race, language, culture, gender, and ability. Is highly responsive to student interests, questions, and concerns. 2. Sets high expectations and facilitates all students’ achievement of expectations. (ED 610.02 a1; INTASC 3; KNOWLEDGE, HOLISM; AAHE III C)

Does not meet Target:
Does not provide equal access to instruction and learning for all students and fails to promote individual self-worth. Does not foster a classroom culture for learning and demonstrates low expectations for student achievement. Demonstrates low commitment to the content and to students’ satisfaction in their work.

Approaching Target:
Provides equal access to instruction and learning for all students and conveys the attitude that all students are important and have a right to learning opportunities and attention. Establishes a positive classroom culture for learning and sets high expectations for student learning. Displays interest in the content. Encourages students’ persistence and satisfaction in their work.

Target:
Ensures that all students have equal access to instruction and learning. Demonstrates that the self-worth of the students is important to him/her and makes all students feel valued. Demonstrates a high degree of interest in the content and commitment to individual students’ achievement of high expectations. Encourages students’ persistence and pride in their work.

SECTION III: REFLECTIVE PRACTICE

1. Reflects on and evaluates the effects of his/her pedagogical choices and actions on students’ learning. (ED 610.02 d1,2; INTASC 9; KNOWLEDGE; AAHE IV D)

Does not meet Target:
Does not reflect on or evaluate the effects of his/her pedagogical choices and actions on students, or these reflections are inaccurate. Is unable to propose ideas for improving instruction. Does not take responsibility for student learning, but attributes success and failure of students to outside factors.

Approaching Target:
Reflections on the effects of his/her pedagogical choices and actions are generally accurate. Can identify and implement general strategies for improving instruction. Takes responsibility for success of students but often attributes failures to other factors.

Target:
Critiques own teaching accurately and perceptively, set relevant and specific goals, and implements needed changes. Regards difficulties as problems to be solved and takes a researcher’s stance in approaching difficulties.
