

Elem. Ed K-8 Licensure: Additional Course Requirements

Content Courses:

- **Students must choose 1 of the following content areas as a concentration:**
 - **English, Math, Science, Social Studies**
- Students complete at least 15 course credits in the chosen area of concentration.
 - **At least Nine course credits must be completed in 2000 level content courses (or higher).**
 - Six of the 15 credits can be in Direction or General Education courses.

Or

- A student can declare a minor from the list below.

Starting with Spring 2022 graduates, K-8 licensure must have a minor in one of the concentration areas. Completing 15 credits of courses will not meet the anticipated NHDOE K-8 requirements.
