

The annual survey to employers was sent during the Spring 2020 semester. The response rate was lower than expected; most likely due to the pandemic.

Classroom Management, Working with families, Teaching Diverse Students and Teaching Students with special needs were the lowest rated criteria. Data Table shown below.

Since 2 equals knowledgeable, we are satisfied our graduates are performing at or above the expected level. A revised survey is being developed and will be deployed in 2021.

The rating scale is 1 = somewhat knowledgeable, 2 = Knowledgeable, 3= very knowledgeable.

Knowledge and Skills :	Rating (1-3)		Skills	Rating (1-3)
Content/Discipline Knowledge	2.56		Classroom Management	2.31
