The Vice President for Academic Affairs may appoint the Associate Vice President for Undergraduate Studies to participate as a full voting member of the Curriculum Committee in the Vice President’s absence.

Discussion: Has not addressed the concerns expressed last month. Need to see more faculty on the Committee. Chairs are doing too much already. Important to have more faculty serve and not just a handful of the same faculty. Often Chair prompts change in curriculum, takes proposal to the Library, IT, Provost and then to the Curriculum Committee; does not make sense to also have Chair come here. Had two vacancies this semester and only one was filled. Faculty Speaker could not get another faculty member to serve. As we grow as a university we have to mind these things more. Do have to think about the new Dean positions. Deans should not be on the Curriculum Committee. Should not keep people from serving. How much influence would two Chairs have (there are 12 voting members)? Faculty elected to the Curriculum Committee represent the Faculty as a whole, not their department.

The suggested change in language was approved 6-3-0-3. This needs to be submitted to the Faculty.

IV. Election of 2009-2010 Chair and Scribe. Wendy was thanked for her many years of service on the Curriculum Committee and for being Chair. Mary was asked if she would be willing to continue as Scribe. After clarifying that she is a non-voting consultant to the Committee, she agreed to continue as Scribe. Beth Cox was asked to be Chair; she expressed her concern of the time commitment and questioned if she could get organizational help. Karolyn said she was willing to help.

III. Reports – none given due to the lack of time.
A. SAPC.
B. General Education Committee.

Respectfully submitted,
