General concerns regarding course proposals:
- Make sure the gen ed-ness of the course is evident to the student; talk about it in the syllabus; how does the course meet the XX Connection or meet the XX Direction
- Annotated syllabus; this is where you will find XX Connection
- Low scores on the Gen Ed evaluations
- Add to the syllabus XX Connection description and how XX Connection will be done
- How skills will be assessed is to be in the syllabus for Directions courses
- How goals of XX Direction will be met

Remaining Courses with 5/2010 Sunset Date:
- AH 3500  The World of the Crusades (GACO) (INCO): The Art Department decided not to seek renewal.
- ESDI 2120  Historical Geology (SIDI):
- ESDI 2130  Historical Geology Laboratory (SIDI):
  The Environmental Science and Policy Department is proposing to the Curriculum Committee on December 18th to remove these courses from the Catalog.
