III. Reports

A. SAPC (or its replacement). No report due to the Provost’s absence.

B. General Education Committee. Met September 9th. Pat Cantor was elected Chair. The Committee  
discussed the practice of submitting proposals for early review versus standard review. They decided  
to discontinue the early review process and to have one deadline. Department Chairs have been  
notified. A Moodle page has been created for the Committee to receive and review proposals as well  
as other documents that pertain to their agendas. The UNH Board of Trustees has mandated that  
Plymouth State University administer the Collegiate Level Assessment (CLA) test this year. Both  
UNH and Keene State were already planning to administer the exam and PSU gave the test last year.

C. Council on Teacher Education. Met September 16th. They are now the Council of Educator  
Preparation; the Office of Teacher Certification is now the Office of Educator Preparation. This is  
Irene Cucina’s last year as Director of Teacher Education. New common language has been adopted,  
which includes changing ‘Student Teaching’ to ‘Internship in Teaching’, changing ‘Student Teacher’  
to ‘Intern’, changing ‘Clinical Faculty’ to ‘University Supervisor’, and changing ‘Cooperating  
Teacher’ to ‘Mentor Teacher’. Departments sponsoring teacher certification program will need to  
submit Curriculum Change Proposals to change the title of their Student Teaching courses.

D. Steering Committee. Met before the first Faculty meeting. Plans to meet the Wednesday before each  
Faculty meeting.

IV. Discussion Items

A. Program Review (left over from last semester). See April 19th minutes. Liz has e-mailed the Deans  
regarding the part the Curriculum Committee has in the revised Program Review process. Reviewing  
department Program Reviews is our major post-Catalog-deadline work. Moodle would be a good  
place to have self-study, program review, reports, etc.

B. 2+2 Transfer agreements (left over from last semester). See April 19th minutes. Dean Vascak has  
proposed a standardize procedure for such agreements. Liz will follow up with Dean Vascak.

C. Filling out our membership (student reps, Diversity Commission, nonvoting observer). We are  
waiting for the Student Senate to appoint three student representatives and for the Faculty Speaker to  
appoint the nonvoting faculty observer.

D. Curriculum Handbook. Some of the Handbook is out-of-date. Liz will work with Pat Cantor on the  
General Education information contained in the Handbook. Need to add recent policies for online  
learning.

E. Electronic signature investigation. Liz has talked with Rich Grossman. Is there a way to add  
electronic signatures. Do we want to do electronic signatures? The Deans are doing electronic  
signatures. Liz has talked with the Steering committee. There is not yet a University policy on  
electronic signatures.
Curriculum Committee

It was suggested that members bring to the October meeting syllabi they have or have seen which meet the new criteria for syllabi. Then we could post examples that we think meet the criteria. Liz did e-mail Chairs with information, including the syllabus checklist, for this academic year. She will also e-mail the faculty and note it at the Faculty meeting.

The chair of curriculum committee needs to receive one copy of the proposal form (and any supporting materials) with all signatures by the submission deadline. That copy may be digital or paper.

The Chair welcomes any items for future agenda.

The meeting adjourned at 3:59 pm.

The Curriculum Committee meets on the third Friday of the month from 2:30 until 5:00 pm in the Student Senate room (HUB 119). Proposals need to reach the Chair 10 days prior to the meeting. Their next meeting is Friday, October 18, 2013.

Respectfully submitted,

Mary E. Campbell, Scribe
Director of Curriculum Support
