

2019-2020 Graduate Enrollment Status Form

Financial aid eligibility begins in the enrollment period you are accepted into an eligible graduate program. In order to be eligible for federal financial aid, all courses you attempt must meet the requirements for your degree. You must be enrolled at least half-time (3 credits) to be eligible for federal loans in a given term. In addition, you must be meeting all 3 required Satisfactory Academic Progress (SAP) guidelines – completing 67% of all courses attempted, maintaining a cumulative grade point average of 2.0 or higher, and completing your degree within 150% of the standard timeframe. See our website for more information on SAP. Please note that courses you withdraw from count as attempted courses.

- Provide the **EXACT NUMBER OF CREDITS** (not number of courses) you plan to take **each** term. Your federal loan eligibility is determined based on combined enrollment for all terms that you plan to enroll.
- Do not leave any term blank. **IF NOT ENROLLING OR YOU DO NOT NEED FINANCIAL AID DURING A TERM, PLEASE PUT A CHECK MARK IN THE # OF CREDITS BOX INDICATING YOU WILL NOT ATTEND OR YOU DON'T NEED ASSISTANCE FOR THAT PARTICULAR TERM.**
- Please contact your Academic Program Coordinator if you have any questions regarding the academic calendar or course offerings.

Important Notice: The Financial Aid Team will use the information below to create your Cost of Attendance (COA) and award your federal aid for the academic year. Your COA will vary based upon the number of weeks you are enrolled due to the living expense allowance. Before disbursing aid each term, we will determine if your estimated enrollment matches your actual enrollment (# weeks enrolled per term). In some instances, COA figures and the financial aid award may need to be adjusted.

Please check this box if you have received Federal student aid from another school during this academic year

LOAN LIMITS: The maximum **annual** Federal Direct loan available for a graduate student is \$20,500. Limits may apply based on program. Student aggregate maximum Federal Direct Loan limit is \$138,500.

CHANGES TO ENROLLMENT: If your enrollment information changes during this academic year, you must provide written notification of these changes to the Student Financial Services so your Federal Direct Loan eligibility can be reviewed and adjusted, if necessary.

OTHER RESOURCES: Federal guidelines require our office to receive copies/proof of any other form of financial assistance that you receive (e.g. private scholarships, other loans, staff/employer tuition benefits, veteran's benefits, vocational rehabilitation, SAU assistance, etc). We will be notified of any PSU Graduate Assistantships, Fellowships or Internships you receive and adjustments will be made accordingly.

MPN and ENTRANCE COUNSELING: First time PSU Federal Direct Loan borrowers must complete online Entrance Loan Counseling as well as sign a Master Promissory Note (MPN). Both of these requirements may be completed at studentloans.gov. If additional funding is needed once federal funding has been determined and you have not exceeded your cost of attendance, you may apply for a Federal Direct Graduate PLUS loan at studentloans.gov

All financial aid information specific to your account is accessible through the myFinances channel in your myPlymouth under the Services tab.

Be sure to regularly check your campus and personal email accounts for correspondence from the Student Financial Services.
