

2021-2022 Independent Verification Worksheet

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called Verification. The law states that before awarding Federal Student Aid, PSU may ask you to confirm the information you and your spouse (if applicable) reported on your FAFSA. To verify this information, we will compare your FAFSA data with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information will be corrected. You and your spouse (if applicable) must complete and sign this worksheet, attach any required documents, and submit to PSU Student Financial Services.

PSU Policy: We require all students/families to complete Verification four weeks prior to the end of the term for which aid is requested (November 2021 for students applying for aid during Fall 2021 term or April 2022 for students applying for aid during Spring 2022 term.) Please note that while we can process financial aid at any time during the academic year, term bills **MUST** be paid on time to avoid late fees or the student risks being removed from their classes. **If you have questions about this process, contact us as soon as possible. More information can be found at go.plymouth.edu/aid.**
