

PARENT REPORTED ON 2022-2023 FAFSA

Student Name: _____ PSU ID#: _____

I, (print parent name) _____ certify that I

DO or **DO NOT** (*circle one*) meet the requirements to be considered the parent reported on the **2022-2023 Free Application for Federal Student Aid (FAFSA)** for my student.

The following are the instructions to assist you in determining if you are the parent that should be listed on the 2022-2023 FAFSA form:

- If your parent was never married and does not live with your other legal parent, or if your parent is widowed and not remarried, answer the questions about that parent.
- If your legal parents (biological, adoptive, or as determined by the state [for example, if the parent is listed on the birth certificate]) are not married to each other and live together, select “Unmarried and both parents living together” and provide information about both of them regardless of their gender. Do not include any person who is not married to your parent and who is not a legal or biological parent.
- If your legal parents are married, select “Married or remarried.” If your legal parents are divorced but living together, select “Unmarried and both parents living together.” If your legal parents are separated but living together, select “Married or remarried,” not “Divorced or separated.”
- If your parents are divorced or separated, answer the questions about the parent you lived with more during the past 12 months. (If you did not live with one parent more than the other, give answers about the parent who provided more financial support during the past 12 months or during the most recent year that you actually received support from a parent.) If this parent is remarried as of today, answer the questions about that parent and your stepparent.
- If your widowed parent is remarried as of today, answer the questions about that parent and your stepparent.

WARNING: If you purposely give false or misleading information, you may be fined up to \$20,000, sent to prison, or both. **By signing this, I certify that the information reported above is complete and correct.**
