

2022-2023 Graduate Enrollment Status Form

Name (Print): _____

Phone #: _____ PSU ID #: _____

Important: Student Financial Services will use this information to determine your Cost of Attendance (COA) and your federal aid for the year. Your COA may vary based upon the number of weeks you are enrolled because of a living expense allowance. Before disbursing aid each term, we will determine if your estimated enrollment matches your actual enrollment (# weeks enrolled per term). In some instances, COA figures and financial aid may need to be adjusted.

- Provide the **EXACT NUMBER OF CREDITS** (not number of courses) you plan to take **each** term. Your federal loan eligibility is determined based on combined enrollment for all terms that you plan to enroll.
- Do not leave any term blank. **IF NOT ENROLLING OR YOU DO NOT NEED FINANCIAL AID DURING A TERM, PLEASE PUT A CHECK MARK IN THE # OF CREDITS BOX INDICATING YOU WILL NOT ATTEND OR YOU DON'T NEED ASSISTANCE FOR THAT PARTICULAR TERM.**
- Please contact your Academic Program Coordinator if you have any questions regarding the academic calendar or course offerings.

Important Information regarding Graduate Financial Aid:

START OF FINANCIAL AID: Financial aid eligibility begins with the enrollment period for which you are accepted into an eligible graduate program. Students may take graduate credit prior to being accepted into a program, but we will not be able to award financial aid for those credits

DEGREE REQUIREMENTS: In order to be eligible for federal financial aid, all courses you attempt must meet the requirements for your degree.

MINIMUM COURSE LOAD: You must be enrolled at least half-time (3 credits) to be eligible for federal loans during a given term

SATISFACTORY ACADEMIC PROGRESS: You must meet our Satisfactory Academic Progress (SAP) policy, which requires students to successfully complete 67% of all attempted credits and maintain a minimum cumulative GPA of 3.0. Please see our website at <https://campus.plymouth.edu/financial-aid/psu-policies/satisfactory-academic-progress/> for more information.

LOAN LIMITS: The maximum annual Federal Direct loan amount available for a graduate student is \$20,500. Limits may apply based on program. The maximum aggregate Federal Direct Loan limit is \$138,500.

CHANGES TO ENROLLMENT: If your enrollment information changes during the academic year, you must provide written notification to Student Financial Services so your Federal Direct Loan eligibility can be reviewed and adjusted, if necessary.

OTHER RESOURCES: Federal guidelines require our office to receive copies/proof of any other form of financial assistance that you receive (e.g. private scholarships, other loans, staff/employer tuition benefits, veteran's benefits, vocational rehabilitation, SAU assistance, etc). We will be notified of any PSU Graduate Assistantships, Fellowships or Internships you receive and adjustments will be made accordingly.

MASTER PROMISSORY NOTE and ENTRANCE COUNSELING: First time PSU Federal Direct Loan borrowers must sign a Master Promissory Note (MPN) and complete online Entrance Counseling. Both of these requirements may be completed at studentaid.gov.

myPLYMOUTH: All financial aid information specific to your account is accessible through the myFinances channel in your myPlymouth under the Services tab. Be sure to regularly check your campus email for correspondence from Student Financial Services
