**Minor requirements**

**MiNOR IN TESOL**

- Gain insight and experience on the teaching of English as a Second Language, as well as World Languages.
- Requires only 19 credits; a minor could easily complement any major on campus.
- Credits earned in the minor count as general elective credits as well. So, you satisfy elective requirements and complete a TESOL minor.
- A deeper understanding of language and pedagogy makes you more marketable in the professional world and could open more doors to job opportunities.
