Business as usual, but with a little more green.

OfficeMax Ink & Toner Cartridge Return Program

Returning your cartridge isn’t just a wise business choice, it’s an environmentally responsible decision. With the OfficeMax Ink & Toner Cartridge Return Program, doing your part for the environment is simple.

Recycle your ink & toner cartridges in one of these three easy ways:

• Simply give ink & toner back to your driver with regular returns.

• If your cartridge already has an OfficeMax label or bag, just drop it in the mail or give it to UPS — it’s all prepaid.

• Order boxes for toner or inkjet cartridges by calling OfficeMax customer service, 1-800-472-6473, at no charge to you. All new orders are processed within 48 hours.

Start recycling today!

Each year, more than 300 million plastic printer cartridges end up dumped in landfills within the United States and around the world.

The plastic in each laser toner cartridge takes 3½ quarts of oil to produce, and each new inkjet cartridge requires 2½ ounces of oil.
