A grade of W (withdrawal) will be recorded on the transcript for each course listed below. Withdrawal grades do not contribute to a student’s overall or semester grade point average (GPA), but the credits are counted in the total semester credits for billing purposes and Satisfactory Academic Progress for Financial Aid eligibility. Please contact the PSU Financial Aid Team to gain a better understanding of the impact of withdrawing from any of your courses. Possible impacts include:

- The recalculation of your financial aid for the current semester (depending on the timing of the withdrawal).
- Having your student loans go into “Repayment” or to begin the grace period if after dropping the classes you are considered less than half-time.
- Satisfactory Academic Progress (SAP) as determined by the financial aid office will be negatively impacted by a “W” or “F” grade. More information can be found at: <https://campus.plymouth.edu/financial-aid/psu-policies/satisfactory-academic-progress/>
