**FlexCash & PantherBucks: What you need to know!**

**Types and Usage**

**FlexCash:** Included with meal plans and valid for the semester. FlexCash can only be used at *on-campus* food venues, vending machines, and laundry facilities.

**PantherBucks:** Purchased by any student or staff member and is valid as long as the person is actively associated with PSU. Any balance remaining when the individual leaves PSU gets refunded to the individual’s PSU account. PantherBucks can be used everywhere FlexCash is accepted (on or off-campus).

FlexCash and PantherBucks are linked to combine their balances (in locations that accept both). FlexCash expires at the end of each semester so systems draw from that account first.

**Purchasing PantherBucks (Value Stations)**

There are 3 cash Value Stations on campus: in the HUB (located next to an ATM), in Merrill Place, and in the Lamson Library entryway. At these stations individuals can use cash and their PSU ID to deposit funds to their PantherBucks account in any whole dollar amount - and the funds can then be utilized immediately.

**Purchasing PantherBucks (Online)**

Funds ($50 minimum) can be deposited to PantherBucks accounts with the use of a Visa or MasterCard through the “Get System”. This is a great opportunity for parents or family members to purchase PantherBucks for their student (follow the Parents link)!

http://go.plymouth.edu/pantherbucks

Funds deposited through this system are immediately available. Students can log in (using the Students link) to view their balances, history, and manage their account.....or they can download and use the Get Mobile app for iOS or Android from their associated app store.

**IDs are NOT Transferable**

Use of another individual’s ID card, even with their permission, is against University policy and shall result in disciplinary action. The owner of the ID is responsible for its security and proper use. Students are required to have a student ID in order to utilize their meal plan or FlexCash / PantherBucks accounts.

**Lost / Replacement IDs**

Students should take precautions to safe-guard their ID card much like they would an ATM or credit card. Lost or stolen IDs should be locked using the Get System (web site or app) to prevent fraudulent use of their accounts.

A locked ID cannot be used for meals, FlexCash, or PantherBucks. Once replaced (at the ID Center) the new ID is immediately unlocked and available for use. If a student finds their lost / locked ID before a replacement is issued they can unlock it via the Get System. The University is not responsible for any misuse of lost or stolen IDs that are not reported / locked.

**Usage**

FlexCash can be used at these venues: campus vending machines, laundry equipment, and on-campus foodservice locations. PantherBucks can be used at the HUB ID Center, Ice Rink skate rentals area, Campus Book Store, as well as these off-campus venues (for food and non-alcoholic beverage purchases) - Biederman’s Deli, Chase Street Market, Burrito Me, Café Monte Alto, Downtown Pizza, Hong Kong Garden, and Main Street Station.
